# Erick Yahir Ambriz Calderón

WEB DEVELOPER

## Profile

Web developer in training, passionate about creating modern and efficient digital solutions. I'm proficient in technologies such as JavaScript, React, Node.js, Angular, and Python and am interested in expanding my knowledge of current frameworks and tools. I'm looking for my first career opportunity as a Web Developer, where I can apply my skills, grow alongside a team, and contribute to the development of innovative applications.

## Work Experience

### Web Developer

[Jerseys & Sneakers](#) [Abr 2024 – Ago 2024]

- I developed a complete website for the company using PHP, HTML, CSS and JavaScript, tailored to the client's needs.
- I implemented the business logic and managed the SQL database, ensuring proper storage and query of information.
- I designed and built the user interface applying usability and responsive design principles.
- I independently managed all phases of the project: requirements analysis, programming, testing, and deployment.
- I collaborated with the company's manager to define real-world requirements and translate them into technical functionalities.

## Skills

[Python](#)   [JavaScript](#)   [Java](#)   [PHP](#)   [C#](#)

[SQL \(MySQL\)](#)   [React](#)   [Node.js](#)   [Angular](#)

[Excel](#)   [Git](#)

## Personal skills

- Teamwork and communication
- Troubleshooting
- Organization and discipline
- Ability to work under pressure
- Continuous learning
- Creativity in design and development
- Ethics and regulatory compliance

## Languages

- Spanish: Native language
- English: B2 (intermediate, with ease in reading technical documentation and communicating in academic/professional contexts).

## Education

- 2022-2026 | Guanajuato, Mexico

[Technological University of León \(UTL\)](#)

Bachelor's Degree in Virtual Environments and Digital Business Engineering (currently studying)
